

**GSCCC Stakeholder Meeting Highlights**  
**June 11, 2015**

Twenty-eight attended the meeting, which was held at DES offices in Concord.

This meeting featured three presenters – all electric vehicle owners – discussing their experiences as EV owners. Larry Cook, Nissan Leaf owner, included his experience changing jobs to one with a longer commute. Gary Lemay, Chevy Volt owner, discussed his transition from using petroleum to renewable energy (including electricity). Daniel Einspanjer, Tesla S owner, providing information on the features of the Tesla.

Attendees – fleet managers, industry professionals and EV enthusiasts, had a lot of questions. The meeting adjourned at 11:30 and the group went out to look at the vehicles. Included in the vehicle display were a Tesla S, a BMW i3, a Chevy Volt, two Nissan Leafs and a 1998 Solectria electric car.
